A message from Sista President Jacqueline Hoyte...

I recently experienced a divorce, and it was the most difficult time of my life. The emotional and financial challenges of the divorce left me spiritually broken. For months, I searched for support groups to help me in my dilemma. There was none!

Please join me to help other Sistas who suddenly find themselves in the same dilemma.

Your dilemma doesn't have to be based on divorce or separation. It could simply be that you need emotional support, healing, or socialization. Someone once said, "The best way to prepare for life is to begin to live. Life is a succession of lessons which must be lived to be understood." We are here to support your individual need!

Become a Sista Member today by partnering with SistaHood Life Support Services to help Sistas find healing, wholeness and love again!

Jacqueline Hoyte,
Sista President
